IAO Certification

The TERii Times: In terms of time, it has been a very small period. About three months. In terms of happenings, change and development in Technical Education, the occurrence has been tremendous and vast. Both, at the National level and at the TERii. The HRD and the AICTE got into an action mode to weed out the obsolescence and the dead wood. They have identified some of the important problems. It must have been tough decision to order closing down many non -performing institutions. Process of rationalisation of admission has attracted the attention of the authorities. A good beginning gets made at the stage of admission itself, if the quality of the institution and student measures up to some minimum merit. Practical Training of the students has been once again emphasised to make the pass out a job- worthy. Performance- based financial -aid is a welcome step. However, performance requires to be evaluated on some measurable parameters.

It seems that the working pattern of institutions like the TERii was being closely monitored by the AICTE. It is also worthwhile to state here that Dr. M.P. Gupta, the Advisor at the TERii, has been making many useful proposals and suggestions at various platforms. He has been attempting to make a first hand in- depth study on different aspects of Technical Education by personally visiting the far- flung regions of our own country and the neighbouring ones.

As far as the training at the TERii is concerned, a detailed account is available at various sites. It would not be out of place to mention some of the activities undertaken during the period under consideration. Special Expert lectures by the experts from different important social walks are being organised to create better awareness among the students. The institution expresses heartfelt gratitude to Mrs. Sumedha Kataria, I.A.S., the worthy D.C. Kurukshetra, Mr. Abhishek Garg, I.P.S., the worthy Superintendent Police, Kurukshetra, Dr. Dinesh Dadhichi, Professor and Former Chairman, Department of English, Kurukshetra University.

The Academic Activities are being observed conscientiously and with utmost care so that each and every one receives maximum possible benefit. These important, hectic and highly beneficial student- activities are impossible without the devotion of each and every member of the institution.

The TERii is a family and continuously aims at extending to have symbiotic relationship of cooperation and collaboration with other institutions of learning. Agreements and understanding have been made with reputed institutions so that the students are able to have benefit of better facilities without any difficulty.

IAO Certification, NPTEL Local Chapter, IIT Delhi Virtual Labs, DELNET Library Network, IIT Bombay Remote Center and many other accolades speak of the TERii efforts.

On this day of 13 April 2018, the presence of Dr. M.P.Poonia, Hon'ble Vice-Chairman, AICTE is itself a testimony of the TERii vision and mission of excellence in Technical and Professional Education.

---	---	---

Dr. M.P. Poonia is a man of humble beginnings. Born on 7 th July, 1959 in a small village of Rajasthan State in India, Dr. M.P. Poonia went on to earn educational prowess in the areas of Mechanical Engineering (IC Engines, Gas Dynamics, Rf. &AC), Renewal Energy and Sustainable Development and he never looked back ever since. He has earned Ph.D (Thermal Engg) from Indian Institute of Technology, Delhi. Dr. Poonia had served in many premium and prestigious educational institutions for over 30 years and is still counting.

Dr. Poonia's professional journey has been extremely rewarding and fulfilling. Mr. Poonia had a successful stint of 6 years as Principal of Govt. Engg. College, Bikaner (Rajasthan) and 1 year and two months as Dean, Planning and Development in MNIT, Jaipur, (Rajasthan). He also has a number of publications as many as 80 papers in National and International Journals, several books and manuals in the field of Mechanical Engineering and 08 Nos. books and 02 Lab Manuals to his credit. He is an active member of IEI, ISTE & Society of Automotive Engineers. Dr. Poonia is also a Google scholar. On 20th January, 2017, Dr. Poonia took up the responsibility as Vice Chairman, All India Council for Technical Education (AICTE), New Delhi. He has been associated with AICTE for a period of 4 ½ years i.e. from 20th July, 2012 till present day. Dr. Poonia served as Director, National Institute of Technical Teachers Training and Research (NITTTR), established by Ministry of Human Resource Development, Govt. of India, Chandigarh (India). During his tenure as Director, NITTTR, Chandigarh, he remained member of Board of Governors of, as many as 20 Government/Autonomous bodies/Universities in the State of Punjab, Haryana, Himachal, Delhi and Chandigarh.

Dr. Poonia made significant contribution as a Director, NITTTR, Chandigarh, he worked extensively for the growth and development of technical education in the northern states of India and to conduct of sub-regional and in-country programmes in collaboration with Colombo Plan Staff College for Technical Education, Manila, Philippines. Under his able leadership, the Institute undertook many new initiatives such as conduct training programme for Nigeria to name a few. He has undertaken various projects sponsored by All India Council for Technical Education, Dept. of Science and Technology, Delhi and Govt. of Rajasthan and MHRD, Govt. of India.

He is also the recipient of many Awards for his academic achievements. Notably, Dr. Poonia was conferred upon National Award for the Empowerment of Persons with Disabilities –2013 by the Hon'ble President of India on 3rd December, 2013 in New Delhi in recognition of outstanding performance in the field of Best Institution for Empowerment of Persons with Disabilities in the country.

TERii Talks

TERii Talks | Ms. Sumedha Kataria, IAS | Education & Society

12 January 2018 | 12th Foundation Day | TERii

<https://www.youtube.com/watch?v=Hy7YEajacA&t=205s>

Ms. Sumedha Kataria, IAS spoke on the relationship between Education and Society. She explained the true meaning of Education and the role society plays in education citizens. She motivated the teachers and students to be true learners and rise above the reluctance to learn.

She inaugurated the Vermi-Compost Plant, Rose Garden and opened the TERii Talks (Lecture Series) as the First Speaker.

TERii Talks | Prof. (Dr.) Dinesh Dadhichi | Communication Skills, Life Skills & English

17 February 2018 | TERii

<https://www.youtube.com/watch?v=K7q9ZX0ZRLs&t=7s>

Prof. (Dr.) Dinesh Dadhichi, Professor and Former Chairman, Department of English, Kurukshetra University, Kurukshetra brought to life the Skills that are much in demand in this century. Giving the discourse on

Communication Skills, Life Skills & English, Dr. Dinesh engaged the students as well as the faculty and staff in the fun-filled exercises he had prepared for TERii Family.

“Man may have invented language out of necessity, but another reason, as “bowwow” theory argues, must have been the “fun” we get by imitating sounds. This “fun” element can help evolve pedagogical strategies and methods for better learning of English also.

The present speaker amply illustrates this point by introducing and playing language games with students as well as through poems based on pronunciation practice, funny tips on writing good English, funny howlers, tongue twisters and jumbled words etc. The games include “words on dieting”, palindromes, “kangaroo” words, spoonerisms, anagrams, antigrams, crosswords, scramble and several others. The lecture ends with a comment by Marshall McLuhan, in which he asserts that anyone who tries to make a distinction between education and entertainment doesn't know the first thing about either.”

TERii Talks | Sh. Abhishek Garg, IPS | Awareness, Discipline and Responsibility among Youth!

12 March 2018 | TERii

<https://www.youtube.com/watch?v=9DZuGyLOxEE&t=1024s>

Sh. Abhishek Garg, IPS motivated the students with his talk on the topic of “Inculcation of Awareness, Discipline and Responsibility among Youth! He highlighted the importance of Ethics in life as well as in Career. He guided the students about the most significant essentials of Life. He motivated the students to join the Community Police initiative and also to empower the police in dealing with crimes.

He interacted with the students and replied to their questions. He motivated the students to do summer projects on technologies that can be used by the police. The presence of **Awareness, Discipline, and Responsibility are the Hall Marks of a True Citizen!**

<https://www.youtube.com/watch?v=nkl-o11SEds&t=3s> (Interaction with Students)

Ratnawali Yuva Saang Mahotsav

TERii hosted the 06th Ratnawali YuvaSaang Mahotsav (Professional Zone) from 26 February 2018 to 01 March 2018. Sponsored by the Department of Youth and Cultural Affairs, Kurukshetra University, the event was organised at the TERii Campus, Barna, Kurukshetra

SD PG College, Panipat, DN College, Hisar, Arya PG College, Panipat and Govt. PG College, Jind performed the Saang in the TERii Campus.

Our Students experienced the Cultural Heritage of Haryana and enjoyed the performances. The Stories earned their interest and it was a rare opportunity for them to know the Folk Culture of Haryana.

Annual Sports Meet

From 23 March to 26 March, the Annual Sports Meet was organised. Students, Faculty and Staff members participated with great zeal and enthusiasm in the Annual Sports extravaganza. Cricket, Football, Kabaddi, Basketball, Volleyball, 100-400-1500 Meter Races, Indoor Games like Badminton, Chess, Carrom Board, Pool and Snooker were organised.

TERii Family also organised a Chhabeel for two days and showcased the Cultural Harmony among all TERiians.

Candle March 23 March 2018

Martyrdom Day of Bhagat Singh, Rajguru and Sukhdev

FranConnect

An industrial visit of B.Tech Computer Science students is organized on 28th March 2018 in Franconnect India Software. Franconnect is the leading provider of Franchise Management Software which help franchisors and their franchisee more effectively to manage, track and run their business.

Yakult

Today a Batch of 34 MBA, BBA students visited Yakult Danone, Rai, Sonipat. Yakult is a high quality probiotic in the form of a fermented milk drink which contains 6.5 billion unique probiotic in each bottle. Mr. Aadish and Ms. Yamini, Operations Head addressed the students and introduced about the Yakult Danone India. Students learnt about the Marketing Strategy, Quality Management, Inventory Management and HR functions of company.

Ruchira Paper Mill Ltd

Industrial trip of Mechanical Engineering students to Ruchira Paper Mill Ltd (Kala Amb, Himachal Pradesh) on 24th March 2018.

Ruchira Papers Ltd. is an integrated Pulp and Paper Mill which produces 400 MT of writing, printing and Kraft paper per day.

Students could see the workshops where mechanical maintenance of various equipment such as centrifugal pumps, compressors, gear boxes and vacuum pumps is done. Students were shown the oil seals on various equipment, which no one had seen earlier but only read in theory. Various types of Ball and Roller Bearings used in industry were also shown.
