## VISION

To transform raw brains into enlightened Youth to add to the pool of result -oriented professionals beaming with energy to take up challenging positions in industry and other organizations with initiative and drive.

## MISSION

To establish centre of excellence for integrated education & serve industry through providing skilled technical manpower of highest standards for formal as well as informal sector; Providing technology and technological services; Propagating innovative technological solutions; and Conducting research for industry.

## APPROACH

We believe in imparting and facilitating knowledge, not just information. Our real emphasis is upon Live Projects, Labs, Workshop Practices, Seminars & Presentations, NPTEL & Virtual Labs, Hackathon, Unnat Bharat Abhiyan, Visits & Visitors, Events & Activities, Sports & Games, Participation & Exploration, Innovation, Team Work, Caring & Sharing.

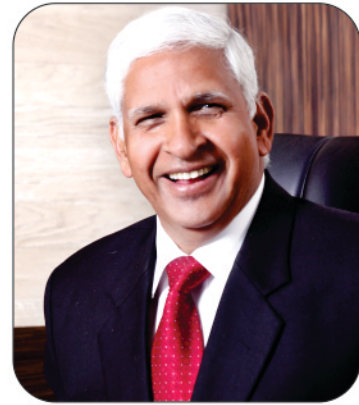

## THE ADVISOR

We are the only institute in the country that introduced concept of “*Institution as a Family*”. Now, TERii is a well established family where Students, Teachers, Management live and grow together in 20 acres green & clean campus in harmonious environment.

A learning paradise where workshop/labs are open till late evening, library is open till late night, adequate opportunity for Indoor and outdoor games & sports, need based evening extra-classes, focused personality development sessions, industrial visits, excursions, expert talks and global diversity provides 24 x 7 opportunities for students.

Established in the Year 2007, having 700+ resident students from 21 states and neighboring countries Nepal & Bangladesh, TERiiians bring good ranks in Kurukshetra University/HSBTE. After this glorious journey of 12 years, today TERiiians are placed in Central and State Govt. departments, pursuing higher education in IITs/ Foreign Universities, and employed in leading MNCs like Infosys, IBM, TCS etc. in India and abroad.

In fact, TERii has emerged as a destination where student's education, professional traits, personality, intellect and spiritual development is nurtured.

**Dr. M.P. GUPTA,**  
A Visionary, a Mentor, and a Counselor.

B.Sc. Engg., AMIE, M.Tech, Ph.D,  
C. Engineer, F.I.E, FISTE,

Former Director, Technical  
Education Department, Haryana  
& Uttarakhand

# BOARD OF GOVERNORS

## 1. Rajesh Gupta

Project Manager,  
Infosys, USA

## 2. P. K. Sikka

Section Head,  
Drax Power Station, UK

## 3. Dr. V. K. Jain

Ex. Director  
SLIET Longowal

## 4. Brig. S. K. Mutreja

Chairman cum Managing Director  
NEPA Ltd.

## 5. C. S. Goel

Vice President, FISME

## 6. Rakesh Chabra

President,  
Rai Group of Industries

## 7. J. C. Verma

AGM.  
Hero Cycles

## 8. Dr. R. S. Chauhan

Professor (Retd.)  
NIT Kurukshetra

## 9. Dr. Sagar Gulati

Deputy Director- Academics  
iNurture Education Solutions Pvt. Ltd.

## 10. Er. Aditya Gupta

Secretary,  
Gyankund Trust of Educate and To Serve

## 11. Garima Gupta, CA

Chairperson,  
Gyankund Trust of Educate and To Serve

## 12. Er. Hardeep Singh

Director, TERii

## The Chairperson

Engineers and managers shall have to become multiple intelligence persons who are technological persons, social persons, economic persons, political persons, cultural persons, learning persons, and even contextualized persons. Therefore, the traditional education with narrow focus on one or two types of intelligence will not meet the challenges and needs of the future anymore.

TERii envisions the overall development of the students through its comprehensive academic and para academic curriculum.

I extend a cordial invitation to the students and parents to visit the campus and witness the vigorous academic atmosphere which is ably complimented by the exemplary opportunities of moral, cultural and physical development of every student.

**Garima Gupta, CA**

## ACCREDITATIONS &

TERI is approved by  
All India Council  
for Technical Education,  
New Delhi

TERii is recognized by  
Ministry of Human Resource  
& Development,  
Government of India

TERii is Accredited by  
International Accreditation  
Organization, USA

TERI is Remote Centre of  
Indian Institute of Technology,  
Bombay

TERI is affiliated to NAAC 'A'  
grade  
Accredited  
Kurukshetra University,

TERii is recognized by  
Govt. of Haryana;  
PETI is affiliated with Haryana State  
Board of Technical Education

TERii is the only technical institution  
in Haryana to facilitate internship  
opportunities in 126 countries across  
the globe.

TERI Public School is  
affiliated to  
Central Board of Secondary  
Education, New Delhi

## The Director

Today's students are incapable of taking decision on fixing their goals, and hence fail to achieve prosperity in life. It is because, we have failed to create their inward being, pull them out of the darkness they are in. It must be the outcome of sheer negligence on the part of the society they are born and brought-up in. We failed to let them understand the importance of intrinsic values of life.

It is essential to create institutions that are examples of excellence at par with the best in the world by raising average quality of higher education coupled with pedagogy. We need to go about the issue of immense gravity, so that institutions become temples of learning and creativity rather than mere producers of stereotypes. The sole endeavor of TERii is to lead our students from darkness to light, teach them the social values, to yield the socio-economic growth and prosperity of the nation.

And so, I invite career conscious students to opt TERii for their higher education, and take first step to a world, full of opportunities.

**Er. Hardeep Singh**

## RECOGNITIONS

TERI is selected by Govt. of India under their flagship scheme of "Unnat Bharat Abhiyan"

TERI is selected by AICTE for Pradhan Mantri Kaushal Vikas Kendra

TERI is NPTEL Local Chapter of Indian Institute of Technology, Madras

TERI is Virtual Lab Nodal Centre of Indian Institute of Technology, Delhi

# TERII

## PHILOSOPHY

### ACADEMIC POLICY

To Develop Priority wise,

- The Learning competency.
- Professional competency.
- Academic competency.

### FINANCIAL POLICY

- No withdrawals directly or indirectly. Whole of the surplus is invested in strengthening of academics, welfare of faculty and students, and charity.

### QUALITY POLICY

- To Satisfy The students; The faculty; and The Management to achieve Quality.

### ADMINISTRATIVE POLICY

- Harmonious efforts by The Management, The faculty and The students towards Vision, Mission, Academic, Financial, and Quality Policy.

# PROGRAMMES OF

TERii, being established, managed and advised by experienced professionals, engineering programmes are run with a pursuit of Quality & Innovation with Interdisciplinary exposure, and focus on Practicality endeavoring to produce holistic professionals capable of meeting local and global challenges. Over the period, TERii has become a favorite destination for talented and aspiring youth from all Indian states, Nepal and Bangladesh.

## COURSES & SEATS OFFERED:

- ❖ 4 Years B.Tech in Civil Engg.
- ❖ 4 Years B.Tech in Computer Science & Engg.
- ❖ 4 Years B.TECH in Electrical & Electronics Engineering
- ❖ 4 Years B.TECH in Artificial Intelligence (AI) & Data Science
- ❖ 3 Years B.Tech in Civil Engg. LEET after Diploma/B.Sc.
- ❖ 3 Years B.Tech in Computer Science & Engg. LEET after Diploma/B.Sc.
- ❖ 3 Years B.TECH in Electrical & Electronics Engineering. LEET after Diploma/B.Sc.

## FACULTY, PHYSICAL RESOURCES AND PEDAGOGY IS OUR STRENGTH

TERii has highly experienced and passionate faculty, always willing to go extra miles, master the art of simplifying complex things. Full of innovative ideas, activating curiosity, knowledge and wisdom in students, our faculty cultivates ordinary minds into competent professionals using state-of-art labs, library, computer centre, workshop, lecture theater & conference halls etc and with well defined approach, flexible 24\* 7 schedule, hands-on & adds-on, visits & visitors, trainings.

# ENGINEERING

In tune with our philosophy of “Knowledge is Constructed by Doing”, transcending the borders of traditional learning, we push our students beyond what they think they can achieve. While believing on quality and not the quantity, we focus on fundamental subjects which are soul of engineering, and that’s why our students show unprecedented results like 100% marks in ‘Engineering Drawing’.

Our students prepare live projects like Website, App, Terrain vehicle, Robotic Arm, Enhancing Battery Life etc. Our projects have been the point of attraction in technical exhibitions and appreciated by authorities and public at large. Many are available on our website and social media.

“Our Alumni working in leading MNCs, PSUs, Central & State Governments; Doing their own business; and studying in leading International & National reputed Institutes are part of TERii Family and guide their juniors whenever available.”

# PROGRAMMES OF

At TERii Polytechnic, we believe that Diploma Engineering Education is a unique programme in our country that provides wings to the dreams of very common families. We also call it as “Early Settlement Programme”. Therefore, we at TERii, attach special importance to the dreams of young children who opt for 3 years Diploma Engineering programme and 2 years Diploma LEET Engineering Programme after their class 10<sup>th</sup> and 12<sup>th</sup>/ITI respectively. After completing Diploma Programme from TERii, as a student of 18-19 years of age, is placed as Junior Engineer in Government jobs or a Supervisor on Production Floor or a Design Assistant, or a Assistant Marketing Executive and become able to support his/her family. Campus Placement at TERii Polytechnic is assured provided, student is all clear without backlog.

## Courses Offered:

- ❖ 3 Years Diploma in Mechanical Engineering.
- ❖ 3 Years Diploma in Electrical Engineering.
- ❖ 3 Years Diploma in Civil Engineering.
- ❖ 3 Years Diploma in Computer Science.
- ❖ 3 Years Diploma in Medical Laboratory Technology.
- ❖ 2 Years Diploma in Mechanical Engineering LEET after ITI/10+2 with Physics & Maths/10+2 Vocational.
- ❖ 2 Years Diploma in Electrical Engineering LEET after ITI/10+2 with Physics & Maths/10+2 Vocational.
- ❖ 2 Years Diploma in Civil Engineering LEET after ITI/10+2 with Physics & Maths/10+2 Vocational.

## THE MACHINES & EQUIPMENTS RICH INDUSTRY LIKE WORKSHOP & LABS AND TRAINED INSTRUCTORS/TEACHERS IS A REAL RESOURCE OF TERii POLYTECHNIC

TERii Polytechnic is most sought after amongst all self financing polytechnic institutions of North India because of our resources and more than 60% focus on technical skills required in industry, in addition to regular academics and class room teaching. The technical staff here gives something to the students to take home to think about other than the homework.

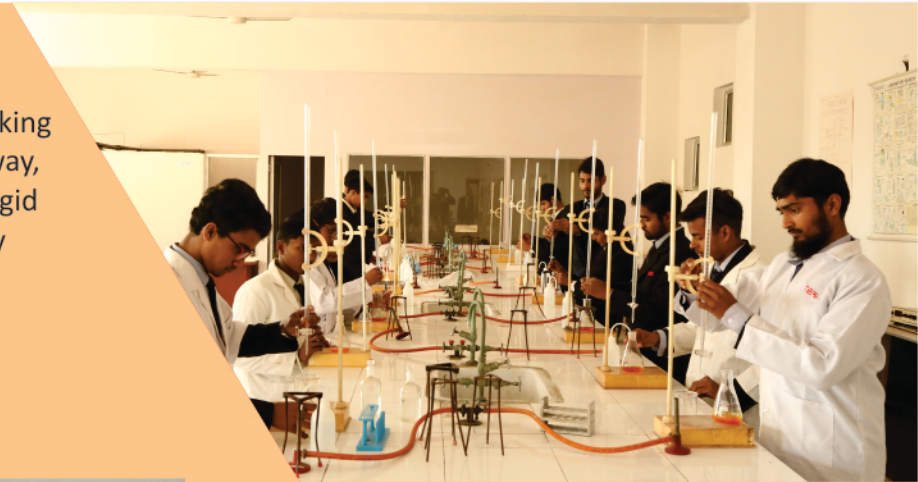

# POLYTECHNIC

The students here belong to different states and different culture; still they work in harmony to realize their goals and objectives. Students in his/her three years/two years span undergoes hands-on in all Workshops, CNCs, Engineering Laboratories, Summer Trainings, Engineering Projects, Engineering Drawing, Adds-On for PDPs.

Our students prepare live projects like Multi-level parking system, Potato Peeler, Segway, Sewage Treatment Plant, Rigid Pavement Structure, Energy Conservation Projects etc. Many are available on our website and social media.

“ Our Alumni working in leading MNCs & SMEs, State Governments; doing their own business; doing BTech LEET; are part of TERii Family and guide us regularly. ”

# PROGRAMMES OF MANAGEMENT STUDIES

Department of Management Studies is global market driven vertical of TERii. Accordingly, the department has taken pioneering initiatives like Case Studies, Dissertations, Role Plays, Extempore, PDP sessions, Market Surveys, Policy Analysis & Discussions, Debates & Presentations, Failures & Success Stories, Participation in Social Responsibility Events & Activities, Event Management, and Networking etc. The Faculty of the department has played a lead role in developing and establishing high quality academic and cultural practices not only in the department but for TERii as a whole. The department has successfully blended Employability and Entrepreneurship skills development aspect as add-on to the curriculum.

## COURSES OFFERED

2 Years MBA in Human Resource

2 Years MBA in Finance

2 Years MBA in Marketing

3 Years BBA

3 Years BBA in Agribusiness

## “WE PRODUCES FUTURE CEOs”

We not only teach leadership, teamwork, problem solving, analytical skills, initiative, adaptability to change, interpersonal & communication skills, strategic thinking and planning abilities, time management, data analysis and interpretation, report generation, and global orientation, but get practiced these traits by our students in the campus.

# INFRASTRUCTURE

Surrounded by lush-green lawns, TERii's magnificent infrastructure speaks volumes of the technical expertise that works behind the smooth running of a modern technical institution. Be it the Smart Class Rooms, The Projector Rooms, Industrial workshops, The Computer centre (Wi-Fi, 24x7 Internet facility) or The Recreation Floor, TERii offers a unique experience to every student. TERii provides the right kind of infrastructure to enhance Learning ,Professional and Academic Competencies of its students.

**HUGE RESIDENTIAL CAMPUS SPREAD IN 20 ACRES**

# Campus Life

## Great Diversity roped by one beautiful bond...

“TERii is not just an educational institution, IT IS A FAMILY”, these lines were spoken in the premises of TERii for the first time in the year 2012 when Dr. M.P. Gupta, after his retirement from the Government as Director, Technical Education, joined TERii in capacity of Advisor. The revamping of policies and alignment of human resources to establish a unique student service charter is unprecedented. TERii is first of its own kind of educational campus where the Management of the institute lives inside the campus along with the students. In addition to it, the Advisor, the Director along with few senior faculty members also reside within the institute premises, giving a unique direction to student-faculty-management interpersonal relations in an educational institute.

## A 24x7 learning paradise with homely atmosphere

At TERii, students get to explore their potential to fullest beyond any barriers of cast, creed, gender, region and religion. 9 Kms from the crowdedness of the city, situated in a pollution-free, lush green environment, it's a small world for the students, staff and the Management. The policies are so very student friendly and homely that if a student wants to do gym at 4 AM, it is allowed, and if a student wants to visit library for studies at 11 PM, it is allowed too; If a student is academically poor, extra classes are arranged for him/her at zero cost; If one student is unwell, 'Khichdi' or suitable meal is arranged for one such student in a Mess of 800. Every single genuine student concern is heard, and decision is taken in real time according to the situation.

## WE ARE TERii FAMILY.

All the activity/event management is done by the students under well defined Earn While You Learn scheme for the students, where students get a chance to earn pocket money, and more importantly they get real learning of Managerial skills, problem solving and healthy liason with fellow mates.

In the beautiful environment of TERii, there are separate grounds for students for Cricket, Football, Volley Ball, Basket Ball, Chess, Carom, Table Tennis, Badminton etc. for evening rejuvenation.

# Corporate Resource Centre

TERii has become synonymous with quality Technical and Professional Education in India. Since 2007, the institution has been the leading institution to provide Qualitative, Affordable, Career Oriented and Internationally Accredited education to thousands of youngsters across India and neighbouring countries.

CRC has an important role in the successful completion of the education and skill development at TERii. The CRC starts its work right from the first day of induction and assists the students in Employability Enhancement, Skill Development, National and International Internships, Live Projects, On-site experiences and Placements.

CRC is the caretaker of the careers of the students and continuously supports the excellent academic interaction held in the classrooms, workshops and labs. From Spoken English to Digital Marketing, from Job Interview Preparation to Stress Management, we offer a varied range of Add-on Certifications FREE of COST to our students.

## CRC Focus and Activities:

- Career Counselling & Skill Development Guidance
- Industry-Academia Interactions & Expert Talks
- International Internships and Industrial Trainings
- Placement Assistance to Students as well as to Alumni
- CRC Add-on Certification Courses
- Professional Skills Development Sessions (for All Students)
- Mock Interviews (Assessment & Remedial Sessions)
- TERii Incubation Centre
- TERii Talks (Monthly Lecture Series)
- TERii Times (Newsletter)
- Organise Pre-Placement Talks with Aspiring Students

- 50% Admissions are made by HSTES, and 50% by the Institute on the basis of Test/Merit.
- All admissions made by the Admission committee are provisional and subject to confirmation by the University/HSTES/BOARD.
- Minimum percentage of marks in qualifying exam shall be as prescribed by AICTE / University / Govt.
- Application cum processing fee is not refundable in any circumstances; applicant must ensure his/her eligibility before submitting the application for admission.
- Student must obtain a receipt for every payment made to the accounts branch only; as that shall be the only proof of the payment.
- Semester fee shall not be accepted in part or in installments.
- Only one type of scholarship from any source whatsoever shall be admissible to a student.
- All original documents shall be returned by the institute after their due verification and deposit of fees.
- Admissions under Bihar Credit Card Scheme, North-Eastern States, PMSSS, SC/BC/Reserved & other Scholarships Schemes of J & K shall be as per Govt. Policy.

## Eligibility for Admission

Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry/ Biotechnology/ Biology/ Technical Vocational subject. Obtained at least 45% marks (42.75% in case of candidates belonging to SC/ST/Blind/Visually/ Differently Abled etc.) in the above subjects taken together.

OR

Passed Diploma (in Engineering and Technology) examination with at least 45% marks (42.75% in case of candidates belonging to SC/ST/Blind/Visually/Differently Abled etc.)

A). Passed Diploma examination with at least 45% marks (42.75% in case of candidates belonging to SC/ST/Blind/Visually/ Differently Abled etc.) in appropriate branch of Engineering and Technology.

B). Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (42.75% in case of candidates belonging to SC/ST/Blind/Visually/Differently Abled etc.) and passed 10+2 examination with Mathematics as a subject.

C). Provided that the students belonging to B.Sc. Stream, shall clear the subjects Engineering Graphics/ Engineering Drawing and Engineering Mechanics of the First Year Engineering Programme along with the Second year subjects.

D). Provided that the students belonging to B.Sc. Stream shall be considered only after filling the supernumerary seats in this category with students belonging to the Diploma stream.

E). Passed D.Voc. Stream in the same or allied sector.

F). In the above cases, a suitable bridge Courses, if required such as in Mathematics may be conducted.

Passed Bachelor Degree of minimum 3 years duration. Obtained at least 50% marks (47.50% in case of candidates belonging to SC/ST/Blind/Visually/ Differently Abled etc.) in the qualifying Examination.

Passed 10+2 examination obtained 40% Marks

Passed 10+2 examination obtained 40% Marks

Passed 10+2 examination obtained 40% Marks

Passed 10th Std./ SSC examination.

Obtained at least 35% marks in the qualifying examination.

Passed 10+2 examination with Physics and Chemistry as compulsory subjects along with Mathematics/ Biology subject. OR

10+2 Science (with Mathematics as one of the Subject) or 10+2 Science with Technical Vocational subject. OR 10th + (2 years ITI) with appropriate Trade in that order shall be eligible for admission to Second Year Diploma Course(s) of appropriate Programme.

1. University & Board charges; Uniform Charges, Exam Fee etc. are not included above; and shall be on actual basis.
2. Hostel (lodging & boarding) shall be allotted on annual basis on charges Rs. 80,000/- annually for AC Flat accommodation, Rs. 65,000/- annually for 3 occupancy Hostel, Rs. 50,000/- annually for 4 occupancy Hostel, amount to be paid in two equal installments. Hostel shall be allotted on Annual basis.
3. Transport charges are subsidized. However, Transport shall be allotted on annual basis. Charges are payable in two equal installments.
4. One time refundable security of Rs. 2000/- for institute & Rs. 2000/- for Hostel shall be charged.
5. Fee/Charges to be deposited once in semester till 20th of May & 20th of November every year. Fine shall be charged on late fee deposition.

## **POLICIES**

### **REFUND/CANCELLATION POLICY**

In case an admitted student withdraws his/her admission before the start of the course, the entire fee deposited by him will be refunded after deducting a Processing Fee of Rs. 1000/-. If the student withdraws admission after the start of the course but before the final cut-off date for admission, the college will return the fee after proportionate deduction of fee/charges.

The refund shall be made in the name of the student by crossed account payee cheque only and shall be mailed by Registered post to the student within one month from the last date of admission or earlier. There is no need for the student and/ or his/her parent to visit the institute in this regard.

As per the decision of the Hon'ble Supreme Court/ competent authority, no admission can be made by the Institute to fill a vacancy that may arise after the cut-off date of admission notified by the institute/competent authority, as the case may be. Therefore, in case of withdrawal after the cut-off date of admission notified by the competent authority, the seat so vacated will continue to remain unfilled for the balance years of the program. In view thereof, in case of any withdrawal after the cut-off date, no fee, by whatsoever name called is refundable under any circumstances.

### **MID- COURSE WITHDRAWALS**

Since no mid-course admissions can be made by the Institute to fill a vacancy caused by a mid-course withdrawal, no objection certificate for a mid-course withdrawal shall only be given by the Institute to a student after he/she has deposited the balance years tuition/development and other charges and any other dues outstanding in the name of student.

### **DISCIPLINE**

All the students admitted to TERii will be under the complete disciplinary control of the Director/Principal or any other officer(s) so appointed by the management. The students must conduct themselves in accordance with the institution's Conduct Rules/Hostel Rules/Transport Rules, etc. as notified from time to time. Candidates seeking admission in TERii deems to undertake that they will abide by the rules and regulations of the institute and any action in this regard by the Director/Principal shall be final. Any student indulging in any of the forbidden practices may attract any of the disciplinary measures like: Cancellation of Scholarship/Freeship/(in part or in whole, temporarily or permanently), Fine, Suspension, Expulsion or Rustication, Downgrading Character. The acts which shall be construed as forbidden practices are: Disfiguring or damaging institutional property; Smoking in Classroom, Laboratory, Hostel or within the campus; Use of drugs or any other intoxicants except on prescription by a Doctor; Any form of gambling; Use of violence in any form; Using unfair means in tests, exams and assignments; Any offence of cognizable nature; Any other conduct unbecoming of a student of the Institution; ZERO TOLERANCE FOR EVE TEASING.

Association, active or passive, with any unlawful organization including holding and/or participating in demonstrations, inciting violence, displaying notices or circulating handbills in the Campus and/ or its hostel (s)/mess is strictly prohibited.

Besides police/legal action, a student found indulging in any of the above activity(s) shall be expelled from the Institute. In case of expulsion from the Institute, under such circumstances, the entire fee paid by him/her shall be forfeited.

### **A BIG NO TO RAGGING**

Ragging is strictly prohibited in the campus, and TERii follows a ZERO Tolerance policy towards Ragging. Ragging, its abetment, eve-teasing and / or any kind of mental or physical harassment, either directly or indirectly, of any student (s) by whatsoever name called which may hurt the

sensibilities or self-esteem of a students (s), inside or outside the Campus and /or its hostel(s)/ mess, cafeteria is strictly prohibited by law and as held by the Hon'ble Supreme Court of India in its order dated 08/05/2009 in the case titled" University of Kerala Vs Council, Principal's College Kerala & others" bearing CA No. 887/2009. An Anti-Ragging Affidavit as per College Form have to be filled and submitted along with other documents at the time of admission.

Disorderly conduct whether by words spoken or written or by an act, which has the effect of teasing, treating or handling with rudeness any other student (s), indulging in rowdy or in disciplined activities which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or junior student(s) or asking the student(s) to do any act or perform something, which such student(s) will not do in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student shall constitute an act or ragging.

### **ACADEMICS**

The students are advised to attend lecture, tutorial, practical, project, and seminar etc. classes regularly and appear in all the three sessional tests to avoid detention, fines and to maximize their learning. They are further advised to attend/participate/ interact in co-curricular activities, extra-curricular activities, celebrations, placement activities, tours & excursions, guest & expert lectures etc. for holistic development.

### **UNIFORM & IDENTITY CARD**
